SUPPLEMENTAL TELEPHONE LINE COVENANTS
AND EASEMENT AGREEMENT

This SUPPLEMENTAL TELEPHONE LINE COVENANTS AND
EASEMENT AGREEMENT (this "Supplemental Agreement") is made as
of this 27th day of October 1988 by and between THE
SWANSON-DEAN - DAEWOO PARTNERSHIP, A Washington General
Partnership composed of Swanson-Dean Corporation, a Washington
corporation, and Daewoo America Development, Inc, a Washington
corporation ("Grantor") and PROCOMM ASSOCIATES, a Washington
general partnership ("Grantee").

Grantor owns a portion of the land described on
Exhibit A hereto (the "Property"). The balance of the Property
is owned by the Providence Point Umbrella Association (the
"Umbrella Association"), or subject to the condominium
declarations of the condominium regimes which constitute the
membership of the Umbrella Association. Grantor intends to
develop that portion of the Property to which it currently
holds title as part of Providence Point.

The Umbrella Association has previously granted to
Grantee certain rights related to telephone service by that
certain Telephone Line Covenants and Easement Agreement dated
September 9, 1988 and recorded in the Real Property Records of
King County, Washington under Recording No. ~~689231061~~ (the
"Original Agreement"). The purpose of this Supplemental
Agreement is to grant to Grantee the same rights as were
granted by the Umbrella Association in the Original Agreement.

SECTION 1. Grant of Easement; Termination.

Grantor for itself, its successors and assigns, does
hereby grant, convey and warrant to Grantee, its successors and
assigns, for the purposes and on the terms hereinafter set
forth, an easement in gross on, under, across and over the
Property.

10/19/88

SECTION 2. Purpose; Restoration of the Property.

Grantee shall have the right to use so much of the Property as may be necessary to install, construct operate, maintain, repair, and replace (collectively, to "work on") an underground cable system (together with all cable, equipment and facilities necessary for the underground distribution of telephone signals, the "System") for the transmission of telephone signals to and from any developments now or hereafter constructed on the Property. Initial installation of the System shall be in locations designated by Grantor as the development of the Property proceeds. On completion of any work on the System, Grantee shall restore the surface of the Property to its condition prior to performance of such work. This work will be done with a minimum amount of inconvenience and disturbance of residents and occupants of the Property.

SECTION 3. Grantor's Use of the Easement Area.

Grantor reserves the right to use the Property for any purpose not inconsistent with the rights herein granted, provided that Grantor shall repair, replace or relocate any element of the System which is or will be damaged in the course of any work of improvement to the Property.

SECTION 5. Ownership of the System.

All cable and other equipment which composes the System is and shall remain the Property of the Grantee, and neither Grantor nor any third party shall have any right, title or interest in it except as Grantee may specifically agree in writing. Grantor agrees that the System shall remain Grantee's personal property at all times regardless of how attached or installed.

SECTION 6. Indemnification.

Grantee covenants to hold Grantor harmless and indemnified against any and all injuries, losses, suits, claims, actions, costs (including attorneys' fees), penalties, fines or other damages to persons (including death) or property of any nature whatsoever arising out of or in connection with the exercise by Grantee of the rights granted herein, unless caused by Grantor's sole negligence, and except to the extent of Grantor's concurrent negligence. The foregoing indemnity shall to the extent permitted by applicable Washington law extend to the acts or omissions of Grantee's contractors and subcontractors, and Grantee hereby waives all immunity or

8810271349

limitation on liability of any industrial insurance act, including Title 51 of the revised Code of Washington as now or hereafter amended.

SECTION 7. Assignability.

The rights and obligations of Grantor and Grantee hereunder shall inure to the benefit of and be binding upon their respective successors and assigns. Grantor agrees that this Agreement shall be fully and completely assignable and delegable by Grantee and its successors and assigns, provided any such assignee shall agree in writing to assume the obligations of Grantee hereunder and that the assignee is a financially stable and competent, experienced company.

SECTION 8. Attorneys' Fees.

In the event of litigation between the parties hereto, declaratory or otherwise, in connection with this Agreement, the prevailing party shall recover its costs and attorneys' fees actually incurred, which shall be determined and fixed by the court as part of the judgment.
