DEVELOPER EXTENSION AGREEMENT FOR STREET LIGHTING

8109100686

WHEREAS, SeaCan, Inc hereafter called "Developer," wishes to build homes within the boundaries of King County Water District No. 104 and desires to obtain street lighting fixtures, maintenance and electricity from King County Water District No. 104, hereafter called "the District," and Puget Sound Power & Light Co., hereafter called "Puget Power," and

WHEREAS, it is necessary for Developer to install a street lighting system on the real estate hereafter described before the houses on said real estate are sold, and

WHEREAS, it is necessary for the District and Puget Power to promptly receive payment for the electrical service provided whether or not the homes on said real estate are sold,

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and other good and valuable consideration, Developer and the District do hereby agree as follows:

Developer shall contract directly with Puget Power for the installation of a street lighting system on the real estate owned by Developer and legally described on Exhibit A annexed hereto. Such street lighting system shall remain the property of Puget Power which shall have the sole obligation to maintain, replace, and repair said system.

Such street lighting system shall be comprised of fixtures mutually agreed upon by Puget Power, Developer, and the District which shall be installed on the aforesaid real estate at locations approved by the District, and Developer agrees to submit plans and specifications for such street lighting system to the District for its approval before executing a final installation contract with Puget Power. The District reserves the right to change lamps, lamp locations and/or equipment when distribution line modernization or replacement by Puget Power is necessary.

The District shall cause Puget Power to furnish lighting service on terms set forth in resolutions of the District now or hereafter in effect. The District shall charge Developer for such service fixed rates established by resolutions of the District now or hereafter in effect. Developer shall notify the District as each lot is furnished with water by the District and shall obtain the signature of the Builder or lot owner on Application for Connection (including Street Lighting) and shall deliver the same to the District office. Thereafter the District shall bill such Builder, lot owner or contract vendee for his proportionate share of the light charges but Developer shall remain primarily liable for all lighting charges for the aforesaid real until 80 percent of the lots as described in Exhibit A are furnished with water by the District. Developer shall continue to pay the pro rata share of the charges for each lot which remains unsold.

Developer further agrees that if the pro rata charges allocated to any lot are unpaid sixty (60) days after the due date, such charges shall constitute a lien against said property which shall
